Ask your lawyer, landlord, or banker.
We are making loans every day to parties sent direct from National Banks.
Why? Because we are not in the Trust; because we do as we advertise, and because we are enemies of the high-priced 10 per cent money sharks. Look at the following rates. A child can understand them:

\$15 only \$7c per mo.
\$25 only \$1.03 per mo.
\$50 only \$1.06 per mo.
\$100 only \$2.06 per mo.

If you pay a newspaper they will advertise anything. Don't be misguided or secure a loan until you have consulted us. A postal will bring our representative to your door.
